

Sumaya MACAMO

PROFILE

Motivated **Computer Science** student at Gisma University of Applied Sciences with a strong interest in problem-solving and developing practical skills through academic and personal projects. My strength lies in visuals and aesthetics, especially in creating clean, engaging designs and user-focused solutions. Curious, organized, and adaptable, I am always looking for opportunities to improve my skills and grow both technically and creatively.

PROJECTS

PERSONAL PORTFOLIO WEBSITE *GitHub Pages* **2026**

- ◇ Designed and developed a personal portfolio website using HTML and CSS.
- ◇ Created a GitHub repository to host projects and technical documentation.
- ◇ Integrated a LaTeX-created CV into the portfolio website. ◇ Applied version control practices using Git and GitHub.

COLOUR PALETTE GENERATOR *Python* **2026**

- ◇ Built a Python script that converts a hex colour code into RGB values. ◇ Generated a lighter colour variant using the same palette as my CV and website. ◇ Practiced functions, string slicing, and numeric conversion in Python.
